

Banff

CANADA

from **\$995**

Banff's spectacular high-mountain landscape is one of glaciers, jagged peaks, and magnificent views.

The area ski pass, with ski bus, accesses three mountains, Norquay, Sunshine, and Lake Louise, which include 30 lifts. Each area has its individual character and attraction.

The slopes range from gentle cruising to steep couloirs. The snow is some of coldest, driest, and most reliable anywhere, and there's lots of it.

As a mainly-summer resort, Banff is good winter value. Along the main street are lots of great restaurants, bars, and nightlife, all with relatively low prices.

(Price includes national park fee.)
