

Chamonix

FRANCE
from **\$1139**

The Chamonix valley cuts deeply through Europe's highest mountains and glaciers giving stunning views, and slopes to match.

Several different sectors total almost 50 lifts and 100 miles runs with something for every skill.

But the massive 9,000 foot vertical ensures that Chamonix is most famous for tough terrain. Runs that are not only high and long, but steep, include classics such as Les Grand Montets and La Vallée Blanche.

Chamonix, the town, is steeped in mountain traditions, and big enough to provide every off-slopes activity.
