

# Engelberg

SWITZERLAND

from **\$1069**

Welcome to heaven, the winter vacation resort of Engelberg, literally the “Angels’ Mountain.” It is a traditional town with grand Victorian hotels surrounding a 12th century Benedictine monastery where cheese is still made.

Engelberg is the major ski area closest to Zurich airport, right in the middle of Switzerland, in a valley above Lucerne and just 20 km from the motorway.

26 different lifts whisk skiers over alm, forest and snow. Topping all, the Rotair cablecar displays a 360-degree panorama as it rises to Titlis’ eternal snowfields. Engelberg offers one of the biggest verticals in the Alps, awesome guided off-piste, and good intermediate slopes.

“Great resaurants, inviting mountain huts, and comfortable hotels invite you to linger.”
