

France

from **\$1139**

The mountains resorts of France offer so much variety and choice that every taste is catered for! You find both some of the toughest wildest slopes in the Alps, and some of the longest and gentlest intermediate areas.

Above all, France has the world's largest networks of lifts and trails, ideal for skiers who like to cover as many miles as possible. French resorts come as ultra-convenient purpose-built stations, or as attractive genuine old mountain villages.

In France, skiing routes are not the only routes you can take to awaken your senses and your emotions. There are many others: gastronomy, entertainment, activities, art de vivre and heritage.
