

# Lech/Zürs

AUSTRIA  
from **\$1798**

Only about 1,500 people live in the timeless little villages of Lech and Zürs which date from the 14th century. That's one reason people love these glittering jewels of the stunning Alps, because they're so compact and yet cosmopolitan at the same time.

Lech and Zürs are among the world's premier ski destinations, a vast interconnected terrain with 83 ski lifts and 170 miles of groomed trails. It also incorporates "The White Ring," a popular circular tour and an annual race for both experts and others.

To once visit Lech and Zürs is to fall in love with it for a lifetime.
