

**Perú**  
from **\$2195**

Discover Perú, the heir to ancient cultures, a rich colonial tradition, and heart of South America's greatest civilizations.

Perú inevitably evokes images of the vast and advanced, but short-lived, Inca empire which ended in conquest. The Spanish colonial vice-regency was the most important in America covering an area stretching the entire length of South America.

Perú deservedly attracts more visitors than any country in South America with an irresistible combination of natural beauty, inspiring Inca sites, renown cuisine, and gracious hospitality.

The trip includes three of Perú's most interesting destinations, all of them UNESCO World Heritage sites: colonial and cosmopolitan **Lima**, traditional **Cusco**, and **Machu Piccu**, the Lost City of the Incas.
