

# Switzerland

from **\$1049**

Welcome to Switzerland, the country in the center of the Alps, where nature is a little closer than in other parts of the world.

After a breathtaking day on skis through forests blanketed in fresh snow, you can relieve the day's pleasures with friends over a fondue in a mountain hut.

Just as multi-layered as the snow covering the eternal peaks of the Swiss Alps are the various possibilities to experience winter in Switzerland. Our many different resorts offer everything from tranquil car-free mountain villages to high-action sport resorts where the party never stops.

Not only is Switzerland "where the mountains are at home," but our down-to-earth people have an enviable history of caring for our guests.
