

SNOWBASIN › POWDER MOUNTAIN › WOLF MOUNTAIN

Ogden
UTAH
from \$599

Don't come to Ogden expecting a typical mountain town.

This is the place that Al Capone said was too wild for his taste in the 1920s. And while we've replaced bootlegging, prostitution and gambling with skiing, climbing, kayaking and mountain biking, Ogden's soul will always be a bit rowdy.

If you want homogenized, we're probably not for you. But if you're looking around the United States for the best least-publicized skiing and you have an appetite for life, welcome to one of the funkiest places you've never been.

What do these top snow sports brands have in common: Atomic, Rossignol, Salomon, Descente, Goode, Kahuna, Nidecker?

All these, and a bunch more, have relocated their home to Ogden, making it the snow sport company capital of America.
